COA is pleased to report that our 2025 COA Clearwater Bay BBQ Rally was a roaring success! Despite the hot weather, we had an excellent turnout with 12 boats participating in the sailing race. All captains and crews had a fun and exciting time racing from Shek O to the finish line at Clearwater Bay. The afternoon seas provided just enough breeze to make things interesting!

After the action on the waves, we all needed a proper refuel at the BBQ. I will say that we all enjoyed a fantastic BBQ dinner together at the Marina. A total of 80 sailors and their guests joined in the evening festivities. It was great to see everyone continuing the camaraderie and celebration on shore.

Please join me in congratulating all our participants and race winners. I would also like to give a big thank you to Clearwater Bay Golf and Country Club in helping us to organize this successful event.

If you want to recap some of the precious moment in the event, can find the photos and videos at: COA's Facebook page (<https://www.facebook.com/COAHK>) and IG account (<https://www.instagram.com/coahk1967/>)

Thank you once again to everyone who came out to make this year's BBQ Rally so memorable. We are already looking forward to next year's event. Hope you all had a wonderful time. Fair winds and following seas until we meet again on the water!
